3. The figures for the quarter ended March 2024 and March 2023 are derived from the audited figures of the twelve months period ended March 31, 2024 and March 31, 2023 and the year to date figures up-to December 31, 2023 and December 31, 2022 which were subjected to limited review by the statutory auditors.

The NCLT admitted the petition and accordingly, the Boards of the respective subsidiaries were superseded, and Interim Resolution Professional/ Resolution Professional (RP) were appointed. Accordingly, the Company, namely, AJR Infra and Tolling Limited (Formerly Gammon Infrastructure Projects Limited) lost control over these 2 subsidiaries. The subsidiaries are:
 - a. **Patna Highway Projects Limited (PHPL):** One of the Lender i.e., Corporation Bank (merged with Union Bank of India w.e.f. 1st April 2020) had filed an application under the provisions of Insolvency and Bankruptcy Code, 2016 (IBC) with NCLT which had been admitted and an Interim Resolution Professional (IRP) had been appointed on 7th January 2020.

Resolution Plan submitted by Silver Point had been accepted by the COC/ Resolution Professional (RP) and application was filed by RP before NCLT for approval of Resolution plan of Silver Point. The Company had also filed an application for approval of Company's Resolution Plan before NCLT. The NCLT vide order dated May 10, 2022, has approved the resolution plan of Silver Point and rejected the application for approval of Resolution Plan submitted by the company. The Company had filed two appeals on 13th July 2022 against the impugned order in NCLAT. Appeal/920/2022 was filed against approval of Resolution Plan of Silver Point and Appeal/922/2022 was filed against rejection of Company's Resolution plan. The matters were taken up on 10.05.2023, wherein Appeal/920/2022 was reserved for order and finally the captioned appeal was dismissed by Hon'ble NCLAT vide order dated 25th May, 2023.

The Company has filed Civil Appeal in the Supreme Court against the impugned Order on 3rd July, 2023. The Matter was heard on 6th February,2024 wherein it was dismissed with liberty to restore. The Company has filed the Restoration Application and accordingly the matter has been restored and listed next on 9th July,2024.

Vide letter dated 7th November,2023, the Corporate Guarantee provided by the Company amounting to Rs. 1,19,024.39 Lacs has been invoked by Phoenix ARC Private Limited in favour of whom the lender's of PHPL had earlier assigned their respective debts. The Company has taken legal opinion and is in the process of contesting the Corporate Guarantee invocation in Court. In the meantime Phoenix ARC Private Limited has filed an application to initiate Corporate insolvency process against the company under Sec 7 of IBC ,2016. The Company has filed IA under section 60 (5) of IBC, 2016 seeking sine die Adjournment to the said proceedings before the Hon'ble High Court, Mumbai and the next date of hearing is 28th June,2024.

The Net exposure of the Company is Rs. 21,294.65 lacs (funded). Pending the outcome, in view of the long pendency of the matter under litigation, although the Lawyers have advised the management that it has a good case for a favourable outcome of the litigation, the Company out of abundant caution and on the principle of prudence has impaired the entire exposure in the books as at March 31, 2024 in its books for accounting purposes while retaining its right to litigate.

- b. **Rajahmundry Godavari Bridge Limited (RGBL):** One of the Consortium Banks of RGBL had initiated and filed an application under the provisions of Insolvency and Bankruptcy Code, 2016 (IBC) with NCLT. The Hon'ble NCLT had passed an order dated 27th February 2020 admitting the matter to Corporate Insolvency Resolution Process (CIRP) under the IBC and appointing an Interim Resolution Professional (IRP) on 27th February 2020. The IRP has been replaced with a new Resolution Professional (RP) pursuant to the Hon'ble NCLT order dated August 21, 2020, which was issued on September 08, 2020, based on an application filed by the Committee of Financial Creditors / Lenders and the new RP has taken charge of RGBL from the erstwhile IRP and the Project.

The Company had filed an Intervention Application at Hon'ble NCLT being aggrieved by the rejection of COC to consider the proposal dated 24.02.2022 of the applicant under section 12A of IBC. The matter was listed on 7th June,2022 for admission of the petition. The Hon'ble Members were pleased to direct the RP to file reply to the subject IA and further stated that upon approval of the resolution plan by the CoC, application under section 12A is not maintainable. At the next hearing dated 21st June,2022 the company requested for time to file an affidavit in rejoinder to the reply filed by the Resolution Professional. Resolution Plan submitted by M/s. Prakash Asphaltings & Toll Highways (India) Limited has been accepted by the COC/ RP against which the company had filed an intervention application before NCLT, challenging the Resolution Plan, which has since been rejected by Hon'ble NCLT. The NCLT vide order dated August 10, 2022, has approved the resolution plan. The company has filed an appeal against the impugned order in NCLAT which was pending admission. The Company has subsequently withdrawn the appeal pending and the same was approved vide Hon'ble NCLAT order dated 16th May, 2023. The company had made full provision in the books of accounts as on date towards its entire funded exposure in the SPV amounting to Rs.1,08,190.66 lacs on a prudent basis. 5. **Project related notes:** In respect of the following projects/Special Purpose Vehicles (SPVs) of the Company where the company has investment there are legal issues, arbitration proceedings or negotiations with the Concession Grantor for which the Management is taking necessary steps to resolve the matters:

- a. **Indira Container Terminal at Mumbai:** The Project was delayed due to non-fulfilment of certain obligations by the Mumbai Port Trust (MbPT) under the License Agreement (LA) signed by the SPV with MbPT. The Roll-On-Roll-Off (RORO) operations was allowed by MbPT as an interim measure for alternate use of the 2 (two) berths for a mix of cargo of container, steel and RORO and is still continuing. However, the revenue generated through alternative use is inadequate for repayment of principal and interest of the Lenders and the credit facility account was declared NPA (Non-Performing asset) by the Lenders of the SPV. The draft settlement agreement between the SPV, Ministry of Shipping (MoS), Mumbai Port Trust (MbPT) has been rejected by MbPT. The SPV has issued a Dispute Notice for the Licensor's Event of Default against MbPT and called upon the Licensor to refer the disputes for amicable settlement under the LA and the matter is pending with MbPT. A petition was filed by the SPV under section 9 and an application under section 11 of the Arbitration and Conciliation Act, 1996 was also filed where in Order dated 1st August 2019 is passed and interim protection by way of prayer is allowed for carrying ad-hoc RORO operations.

The SPV and the MBPT have nominated their arbitrators and they in turn have jointly appointed the Presiding Arbitrator/Umpire arbitrator and accordingly, the Arbitral Tribunal (AT) is formed. The SPV has duly filed its Statement of Claim (SOC) against MbPT for an amount of Rs. 296,736 lacs on 8th November 2019. MbPT has filed their Statement of Defense (SOD) and filed their Counter Claim of Rs 240,000 lacs with the Tribunal.

In the meantime, MbPT has sent letters dated May 28, 2021 / October 08, 2021, and invited ICTPL for a settlement of all disputes raised with the Arbitral Tribunal, to which ICTPL has replied and given their concurrence and the process is under active discussion. Both the parties have sought permission to keep the ongoing arbitration in abeyance for the next 6 months since the parties have started conciliation proceedings. A virtual hearing was held by the Tribunal on 01-11-2021 to determine if the above application for keeping the matter in abeyance for a period of 6 months can be allowed and if the same would be in compliance of Arbitration and Conciliation Act,1996. After initial review, the extension was allowed and both the parties were directed to intimate the conciliation proceedings to the tribunal by 25th May,2022. Since there was no outcome, both the parties jointly opined for the further extension and accordingly filed the application for extension from time to time to wait for the outcome of the conciliation proceedings which is still pending before the CSC. On the last hearing date of Arbitration Proceedings i.e., on 19.04.2023 virtual hearing was conducted and on joint request of both the parties the Hon'ble Tribunal was pleased to adjourn the matter to 27th July, 2023 , directing parties to appraise the tribunal on the next date and that for any extension henceforth, both the parties shall jointly approach the Hon'ble High Court, Bombay. Since the last date of Arbitration Proceedings was 31st August,2023, hence the SPV has moved an application under section 29(A) before the High court of Mumbai for extension of Arbitration Proceedings. The said application has been allowed by Hon'ble High Court and the mandate of the arbitral tribunal is extended from 01.09.2023 for a period of one year. The matter is next listed on 21st August,2024 for update on the further progress on the conciliation process.

The SPV's submission of a One-Time Settlement (OTS) proposal to the consortium of Lenders', and the decision on acceptance, which is dependent upon fulfilment of certain conditions, is in advanced stages of negotiation/settlement with the lenders. In the meantime, the lead Bank had approached NCLT Mumbai Bench against its outstanding dues and submitted its application under Section 7 of the Insolvency and Bankruptcy code, 2016. After a series of submission and counter submissions, the Hon'ble NCLT passed an order On 9th May,2024 for the admission of the captioned Petition and the appointment of Interim Resolution Professional.

The Company filed an appeal under Section 61 of the Insolvency and Bankruptcy Code, 2016 before Hon'ble NCLAT, Delhi against the impugned order dated 9 May 2024 passed by the Hon'ble NCLT, Mumbai. Hon'ble NCLAT, Delhi taking cognizance of the OTS proposal submitted by the Company and the fact that the committed amount already deposited in the designated NO LIEN account of the Lenders has passed an order dated 16th May,2024 staying the above order dated 9th May 2024.

The Company has recently taken legal opinion on account of claims that the Company proposes to make against the MbPT, the legal update from the lawyer on record states that the possible realisation on the settlement of the SPV claim arising out of arbitration will be sufficient to cover the value of the asset and therefore in the opinion of the management no impairment will be necessary. The Company is also seeking another opinion from a techno legal expert on arbitration matters whose assessment of the possible amounts due is under quantification.

The exposure of the Company in the SPV / project is Rs 13,243.29 lacs.

- b. **Pravara Renewable Energy Limited**– Pravara has entered into a Project Development Agreement (PDA) with Karkhana (Padmashri Dr. Vithalrao Vikhe Patil Sahakari Sakhar Karkhana Limited) for the development of a 30 MW Cogeneration Project on Build-Own-Operate-Transfer (BOOT) basis. The Concession period is 25 years from Commercial Operation Date (COD).

The viability of the project and the ability to continue as a going concern depends upon the ability of the Company to procure Bagasse/ alternate Fuel at a viable price either from Karkhana under the arrangement to supply them power in return or from the open Market. In view of the pending settlement between the Company and Karkhana, the availability of adequate Bagasse to run the plant at optimum capacity is a matter of significant uncertainty.

The company had filed an application under Sec 9 of Arbitration and conciliation Act, 1996 against Karkhana seeking interim reliefs which was heard by the Single judge of Hon'ble High Court on 30th October 2021 and after elaborately dealing with the contentions of both the parties, passed an Order dated 11th April 2022 to restrain Karkhana and any representative acting on behalf of the Karkhana, from entering the premises of the Co-generation Plant pending the hearing/final disposal and until final execution of the Arbitral Award. In fact the court in it's order vide paragraph 110 stated "In my opinion, it is unheard of in a civilized society and much less in a commercial transaction of such magnitude that when the parties have agreed to specific terms and conditions on transfer of assets, it would become permissible for a contracting party like the respondent to take over the assets/co-gen plant of the petitioner, for pure commercial gains, in a manner unknown to the process of law. Even in commercial

hd

transactions the parties are bound by the rule of law, apart from due adherence to the principles of trust, honesty, fairness and ethics, which are the backbone of any long commercial relation between the parties. Any untoward dent to such commercial relationship at the hands of a contracting party would lead to an instability not conducive to commerce and the commercial image of a contracting party. There is all the likelihood that for quick and undeserving gains or profits, a party may resort to such business tactics and unfair practices, however, in doing so, they are oblivious that in the longer run, it is no real commercial gain when it comes to such actions being tested in law. This, even assuming that the respondent has spent amounts on repairing or maintenance of the plant as alleged by the petitioner, which would entitle the respondent only to make a monetary claim against the petitioner.”

Subsequently, on 2nd May, 2022, after dealing with the submissions of Karkhana’ s appeal and contentions of both the parties, Division Bench of the Hon’ble Bombay High Court had admitted the Karkhana’ s appeal filed under section 37 of the Arbitration & Conciliation Act (“the Act”), and granted stay of the Order dated 11th April, 2022 passed by the Single Judge in Commercial Arbitration Petition (L.) No. 23525 of 2021 (filed under Section 9 of the Act by the Petitioner).

The Company subsequently filed Special Leave Petition (SLP) in the Supreme Court against the impugned Order dated 2nd May 2022 passed by the Hon’ble High Court of Judicature at Bombay and after hearing both the parties, Supreme Court had directed the Company vide order dated 20th May 2022 to approach Arbitration Tribunal for relief since the tribunal is constituted. Accordingly, PREL has filed its relief application under Sec 17 of Arbitration and conciliation Act, 1996 on 18th July 2022 against Karkhana before the Arbitral Tribunal.

In the meantime, Karkhana approached Debts Recovery Tribunal, Aurangabad and the matter was listed with objections on the maintainability and the Interlocutory application No 1239/2021 for seeking certain directions for stay. On 29th December 2021, Hon’ble DRT Aurangabad, without issuing any notice to the Company, passed an Ex-party order of “Status quo” and granted the liberty to the Karkhana to settle the matter with the Lenders. The Company had challenged the said Ex-party Order before the Hon’ble DRAT, Mumbai. Subsequently, by virtue of order dated 8th September 2022 the court receiver has been appointed by DRT Aurangabad, wherein the Company’s consent had been wrongly recorded for the appointment of a receiver. The Company thereafter filed Civil Writ Petition (L) No. 8044/2022 before the Bombay High Court, Aurangabad Bench against the appointment of Court Receiver and appraised the court that the Presiding officer of DRAT had excused himself in the matter and since then an alternate bench has still not been assigned. The Bombay High Court, Aurangabad Bench was pleased to direct the Registry of DRAT vide its order dated 29th March 2023 to file its report with respect to the appointment of an alternate bench. The report was duly filed by the Registry of DRAT and based on the same, the bench passed an order that the matter would be heard at DRAT Chennai and the writ petition was disposed off accordingly. The next date of hearing is yet to be notified.

The company has also challenged the award passed by the Arbitral Tribunal under Section 34 of Arbitration and Conciliation Act, 1996, passed in favor of Ask Energy, an Operational Creditor. In the meantime, Ask Energy has moved the execution petition before the Hon’ble High Court with a request to issue notice to Garnishee, Maharashtra State Electricity Development Corporation (MSEDCL) as well as Karkhana. On the directions of the Hon’ble High Court MSEDCL has deposited a sum of Rs 386.00

hcl

lacs under protest and the company has opposed the above execution petition at Hon'ble High Court.

The borrowing facility of the company has been marked as non-performing assets by the lenders, hence no interest has been debited by the lenders in the Loan Statements. The company has made provision for interest on the basis of the last sanction and last revision of terms. Therefore, the loan balances and finance cost are subject to confirmation and consequent reconciliation, if any. Recall notice date 27/09/2021 and 22/11/2021 were issued by the Lenders, Central Bank of India and Union Bank of India respectively vide which both the lenders recalled the entire outstanding amounts owed by the Company (Term loan and Cash credit) to which the company has suitably replied.

Also, both the lenders have jointly filed an Original Application No. 69/2021 before the DRT-II, New Delhi, against the Company and others for the enforcement of the claims of lenders against the Company, in respect of the Term Loan and Working Capital Loan sanctioned to the Company by the lenders. Ex Parte Order was passed by DRT II, Delhi with a direction to maintain status quo in respect of assets as per section 19 (4) of the Recovery of Debts and Bankruptcy Act 1993." The company has challenged the Order passed by DRT II, Delhi. Written statements and counter claim has been filed by the company, however there has been no reply from the applicants. The matter was kept in abeyance following the admission order of NCLT and appointment of IRP. The matter was heard on 24th November ,2023 and has been adjourned for next hearing on 1st July,2024.

Also, on 9th March 2022 / 26th May 2022, Union Bank of India / Central Bank of India respectively affixed the impugned notice under Section 13(4) of the SARFAESI Act 2002 at the premises of the Company's Co-gen plant and taken symbolic possession. The Company has challenged both the notices in DRT, Mumbai. Both the matters are pending for filing replies by the Respondents. In the meantime, Lead bank Central Bank of India has moved ahead and issued notice for sale under Rule 8(6) of the Security Interest (Enforcement) Rules of SARFAESI Act, 2002 vide letter dated 16th February 2023. The Company filed an IA for Stay before DRT Mumbai and order dated 3rd March 2023 was passed by DRT that based on the submission of the Bank no bids were received and therefore Auction has failed.

An operational creditor of the Company had approached NCLT Mumbai against its outstanding dues and submitted its application under Insolvency and Bankruptcy code, 2016 in 2018. Though the company had cleared all the dues in the meantime, final order C.P.(IB)-2976(MB)/2018 dated 6th January,2023 was passed by Hon'ble NCLT Mumbai bench Court-II under Insolvency and Bankruptcy code, 2016 for admission of the petition and Interim Resolution Professional was appointed to carry the functions as mentioned under the Insolvency & Bankruptcy Code, 2016. The Company filed an Appeal in NCLAT on against the aforesaid impugned order and Hon'ble NCLAT wherein was pleased grant an interim stay vide order dated 3rd February,2023. The interim stay was further adjourned for 4 weeks from 28.03.2023. The matter has now been tagged along with the similar appeal filed by one on the lenders of the SPV against the impugned order and is adjourned to 31st July,2024 for next hearing.

The Credit facilities are marked as Non-Performing Assets. The use of coal as an alternate fuel has other issues of cost and operations. The lenders also are not providing any further funding for the procurement of the inventory for the running of the plant. All these conditions indicate a material uncertainty in the Company's ability to continue as a going concern. Also, Karkhana has taken illegal /

hcl

unauthorized possession of the Plant and has been running the plant without authorization / consent of the Company. In view of the above situation, power generated for the period Jan 22 to till date exported to the Grid has not been accounted for as Revenue in the books of the Company. Similarly, Fuel (Bagasse) and electricity consumed at the Plant for the generation of power for the captioned period of Jan 22 till date has not been accounted as expense / Inventory in the books of accounts.

The management, however, is hopeful of resolving the issues and accordingly these financials are prepared on a going concern basis. In view of the multiple legal issues going on at various forums and the SPV still being not in possession of the Plant, the funded exposure of the Company in the SPV amounting to Rs 10,745.53 lacs has been provided in the books as at March 31, 2024 on a prudent basis. The Company has provided a letter of Comfort to the lenders towards their credit facilities.

In view of the above-mentioned facts the management of the SPV contends that

1. The litigation is outstanding since more than 2 years and there is no progress in the matter before the courts.
2. The receiver appointed by the DRT does not report the transactions to the Company and takes decisions of the Company Management.
3. Since there is no progress in the matter in accordance with IND AS 110 para 7 the Company has effectively lost control over the operations and is unable to direct the variable rights from its exposure in its favour.
4. It has no record of transaction entered into on its accounts nor it has access to its cash flows.

Therefore, pending the settlement of the litigation, the Company contends it has no control and does not satisfy para 7 of INDAS 110.

The Statutory Auditors of the SPV on account of non-inclusion of aforesaid transactions conducted by the receiver has given a disclaimer of opinion.

- c. An amount of Rs 1,514.01 lacs is due from **Western Coalfields Limited (WCL)** on account of wrongful encashment of bank guarantee against which the Company has filed a suit for Recovery of damages. Subsequent to the encashment, the Company has filed an application for converting earlier injunction application to suit for recovery of damages. The Company has sought a legal opinion in this matter and has been advised that it has a good case for recovery of the amount. On the last hearing dated 29th November, 2023 evidence was filed and the matter has next been listed next on 19th June, 2024. The Management is hopeful of getting favourable decision on the matter and recovery of damages based on legal advice on the matter. However, due to considerable elapse of time and in view of the delay in the legal proceedings, the company has made full provision of Rs 1,514.01 lacs towards this amount receivable from Western Coalfields Limited (WCL) in the books of accounts as at March 31, 2024 on a prudent basis.
- d. **Sidhi Singrauli Road Project Limited** (SPV of the company) had signed a Concession Agreement (CA) for 30 years for upgradation of the existing highway from two-lane to four-lane with Madhya Pradesh Road Development Corporation Limited (MPRDC). AJR Infra and Tolling Limited (Formerly Gammon Infrastructure Projects Limited) is the EPC contractor for the Project.

The Project was scheduled to commence commercial operations from 19th September 2015. However, delays on account of MPRDC in providing the required clearances and the Right of Way (ROW), have

hcl

resulted in the extension of the Commercial Operations Date (COD). These delays have also resulted in increase in project cost, primarily due to increase in interest during construction period resulting from the time overruns and the credit facility with consortium of banks / lenders was classified as Non-Performing Asset (NPA).

Meanwhile, the Lead Bank has also issued notice dated October 15, 2019, for invocation of Corporate Guarantee (CG) issued by the Company in favor of the SPV's Banks / Lenders, due to financial default by the SPV. The SPV and the company have filed its response dated November 11, 2019, to the said notices issued by the Lead Bank. The Lead bank has also sent Demand cum loan recall notice dated 30th December 2021 demanding repayment of loan availed from the Consortium of Lenders (Including Indian Bank e-Allahabad Bank and IIFCL). The SPV has duly replied to the notice vide letter dated 31st January, 2022. Meanwhile, Hon'ble Debt Recovery Tribunal Delhi (DRT 3) has issued Summon/notice under section 19(4) of the Act on the application filed against the SPV by Punjab National Bank (Lead Bank) for recovery of debts with directions to file the written statement and to appear before Registrar on February 21, 2024. The SPV has filed the written statement on 27.01.2024. On 15.05.2024 the IA filed by the SPV for condonation of delay for filing written statement was rejected against which we are intending to file an appeal in DRAT. IA for condonation of delay and discharge of directors is listed for filing reply by the respondents till next date of 4th July, 2024.

During the year ended March 2021, the SPV had received notice of intention to terminate the Project vide letter dated July 17, 2020, from MPRDC followed by a Termination Notice dated August 13, 2020, and advised the SPV vide their letter dated August 24, 2020 to comply with the divestment rights and interest under the provisions of the Concession Agreement and handover the Project to MPRDC.

Pursuant to the Termination Notice issued by MPRDC, SPV has contested the Termination Notice vide their letter dated 1st October 2020 and has approached MPRDC and Ministry of Road Transport and Highways (MoRTH) to find an amicable resolution under the circular dated March 09, 2020, on stuck BOT projects issued by MoRTH in the interest of all the stakeholders. The Company is exploring options to find an amicable resolution for the Project. Meanwhile, the company has also invoked the Arbitration process vide letter dated 22nd February, 2021 and a 3-member Arbitration Tribunal has been constituted. Two virtual hearings were held and the SPV has submitted its Statement of claims amounting to Rs 284,804.32 Lacs to the Arbitral Tribunal on 8th September, 2021 as per its procedural order dated 2nd June, 2021 / extensions granted thereunder. The respondents have also filed their SOD. The SPV has duly replied to the SOD and counter claim filed by MPRDC and also filed rejoinder to the written statement. In the previous hearings, the order was pronounced with a decision that MoRTH should be a party to the arbitration proceedings. In the meantime, the Arbitrator nominated by the SPV has excused himself from the Arbitration due to an age ailment. Accordingly, SPV is seeking a replacement for the said Arbitrator. The SPV has moved an application under 29 (A) before High Court of Madhya Pradesh for the extension of Arbitration proceedings which is due to be next heard on 29th May, 2024.

The conciliation process as agreed between the parties is going on simultaneously in which lenders of the SPV are also a part of the said conciliation process. Couple of meetings have taken place in the last 3 to 4 months' time and issues are moving forward.

hd

In view of the issues and problems associated with the progress of the project including the final notice to terminate the project and subsequent developments in various arbitration hearings as detailed above the Company on a prudent basis during the year ended March 31, 2022 on a prudent basis had made provision for impairment of its investments and written off/(back) project balances in the books of accounts. The exposure of the Company net of provision in the SPV is Rs.54,640.27 lacs (non-fund basis). The Auditors of the SPV have highlighted material uncertainty regarding going concern issue in their audit report as at March 31, 2024.

- e. **Bridge project at Cochin:** The Greater Cochin Development Authority (GCDA) has sought to end the toll collection by unilaterally sealing the toll booth. Cochin Bridge Infrastructure Company Limited (SPV) has initiated arbitration / settlement process. The SPV has also in parallel filed a writ in the matter before the Hon'ble Kerala High Court for specific performance. However, the Government of Kerala approached the Hon'ble High Court for further extension of time and the Court granted extension to settle the matter, subsequent to which the SPV has filed amended plaint. The said SPV pursuant to the assurance given by GCDA and State Government filed a fresh writ petition for directions to GCDA to pay the dues of SPV. The arbitration process was kept in abeyance.

Matter was last listed on 10th July 2019 wherein it was argued and after considering the points of arguments, the Hon'ble High Court passed the orders that the writs petition stands dismissed with reserving the liberty to seek appropriate resolution before the Arbitral Tribunal. The SPV is in the process of re-constituting the Arbitral Tribunal and has intimated GCDA vide its letter dated 3rd January 2020 for revival of the Arbitration proceedings and to appoint their nominee arbitrator. Since, GCDA is neither responding nor appointing its nominee arbitrator, the SPV has filed an application under section 11 & section 14 of the Arbitration and Conciliation Act with the Hon'ble Kerala High Court and duly informed that they have nominated their new arbitrator with regard to reconstitution of the Ld. Arbitral Tribunal. The matter was listed on 21st June, 2022 whereby the Hon'ble Kerala High Court appointed the sole arbitrator to adjudicate the disputes. Statement of Claim and Statement of defense has been filed by both the Parties. The parties have filed rejoinder on March 18, 2023. The SPV has filed additional documents on 3rd August, 2023. The matter was listed on various dates for cross examination of witness and arguments, which has been concluded. The matter is now listed on 19th June, 2024 for compliance of Fees. The SPV had filed the joint extension application under section 29A of the Arbitration and Conciliation Act for the extension of the Arbitration period which has been granted. The exposure of the Company in the SPV is Rs 2,370.49 lacs (funded). The company has made provision for an amount of Rs. 583.36 lacs being the excess of the exposure over the claim amount submitted without considering the interest which may be awarded by the courts.

- f. **Hydro power project at Himachal Pradesh** - the Project is stalled due to local agitation relating to environment issues. The SPV has received letter from the Government of Himachal Pradesh (GoHP), to discuss the matter mutually towards amicable resolution. After the SPV invoked arbitration on 19th February 2018, the arbitration is now concluded, and the Arbitral Award was pronounced by the Hon'ble Tribunal on 23rd January 2023 in favour of the SPV. Government of Himachal Pradesh has moved Sec 34 against the captioned award and the SPV has also filed reply as well as the execution petition for the same. Matter pertaining to Section 34 was listed on 10th April, 2024 wherein the Advocate General had appeared and sought time for settlement. The captioned matter as well as the execution petition is now adjourned to 12th June, 2024.

The amount of award due to the SPV is expected to be in excess of exposure of Rs. 7,120.20 lacs (funded) and therefore the management does not expect any impairment towards the exposure. The Management is hopeful of an early settlement in the matter and is confident of recovering the amount of exposure.

- g. The Company has incorporated a SPV for developing **Rangit-II Hydroelectric Power Project in Sikkim** on Build, Own, Operate and Transfer (BOOT) basis. The Project involves the development of a 66 MW run-of-the-river Hydroelectric Power Project on Rimbi river, a tributary of river (COD). The Project is presently in a state of limbo pending the signing of PPA and achieving financial closure. The Management is of the view that the present situation in the power business is temporary and does not foresee any need for impairment. The matter before NCLT of one of the operational creditors of the SPV has been settled favorably in favor of the SPV.

Post withdrawal of the CIRP proceedings, the company has been in discussion with prospective buyers for Sale or otherwise dilution of Company's investment in the SPV and have also obtained in principal approval vide special resolution at the EGM dated 12th August, 2022. Subsequently the Company had entered into a Share Purchase agreement. There were some conditions precedents which are yet to be fulfilled as on date. Though the company has been actively pursuing the matter, there have been delays in completing some of the condition's precedent to the agreement with the prospective buyer, due to which the captioned Share purchase agreement has been terminated.

The company has made provision in the books of accounts as at March 31, 2024 towards its entire exposure amounting to Rs.10,892.51 lakhs(funded) on a prudent basis.

6. Material Uncertainty related to Going Concern

There is a continuing mismatch of cash flows including the dues to the subsidiary which are due for repayment pursuant to negotiation., The current liabilities are in excess of current assets by Rs. 1,45,078.65 lacs as at March 31, 2024. The liquidity crunch is affecting the Company's operation with increasing severity. Further, various projects of the Company as stated in detail in Note 4 & 5 above are under stress and the outcome of the continuance of these projects would be dependent upon favorable decision being received by the Management on the outstanding litigations. The resolutions planned by the Management are pending since a long time and are not concluding in favor of the Company.

The Management, however, is confident that the going concern assumption and the carrying values of the assets and liabilities in these Standalone Financial Results are appropriate. Accordingly, the Financial Statements do not include any adjustments that may result from these uncertainties.

Basis for Qualified Opinion on the Audited Standalone Financial Results for the year ended March 31, 2024.

(a) Attention is invited to Note 5(a) of the Financial Results, relating to the Project in the SPV; Indira Container Terminal Pvt Ltd. There exists material uncertainty relating to the future of the Project where the exposure of the Company in the SPV/project is Rs. 13,243.29 lacs (funded and non-funded). The draft settlement agreement between the SPV, Ministry of Shipping (MoS), Mumbai Port Trust (MbPT) has been rejected by MbPT. The Company and the SPV are in discussion with MbPT and MoS to reconsider the Project. The credit facility is marked as NPA by the Lenders. During the quarter the Lenders have initiated proceedings under Insolvency and Bankruptcy code, 2016 before the NCLT and the NCLT admitted the said petition and authorized the appointment of Interim Resolution Professional ("IRP") vide its orders dated May 09,2024. The Company moved NCLAT and obtained interim stay on the operation of the order of the NCLT vide order dated May 16,2024. The order does not mention anything about the merits of admitting the said petition. The stay is granted for a period of 40 days, and we are unable to opine which way the matter would proceed after the completion of the period of stay. The exposure of the Company towards the said project is Rs. 13,243.29 lacs which is threatened by the possible loss of control if the Company's petition is not upheld on merits. Without prejudice to the above, The SPV and MbPT have initiated arbitration proceedings which were in progress which may abate if the lenders petition is upheld, and the IRP is reinstated. The MBPT has requested conciliation proceedings which are also under active discussions. One of the grounds on which the stay is granted is the proposal of OTS which has been submitted by the Company whose terms and conditions has to be fulfilled before the next date for the lenders to withdraw their petition. There are uncertainties to the adherence to terms and conditions which inter alia requires an infusion of a substantial sum of money by an Investor identified by the Company. In view of the above reasons we reiterate that we are unable to opine whether the Company would retain control, honour the terms of the OTS and its petition will be upheld by the Courts.

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Companies Act, 2013 (the "Act"). Our responsibilities under those Standards are further described in paragraph (a) of Auditor's Responsibilities section below. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Results for the year ended March 31, 2024 under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe

that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our qualified audit opinion.

Material Uncertainty relating to Going Concern.

We invite attention to Note 6 of the Financial Results relating to material uncertainty relating to going concern. The Company's current liabilities exceeded current assets significantly and are at Rs. 1,45,078.65 lacs. There is a continuing mismatch including defaults in payment of its financial obligations to its subsidiary Company. The liquidity crunch is affecting the Company's operation with increasing severity. We also invite attention to note 4 and 5 of the Results wherein status of various SPV projects which are stressed due to delay in completion, cost overrun, liquidity crunch and have legal issues, arbitration proceedings or negotiations including the pending NCLT petition filed by the creditors of PHPL, admission of ICTPL before NCLT. The future of these projects as also the successful progress and completion depends on favourable decisions on outstanding litigations being received by the Management. The resolutions planned by the Management are pending since a long time and are not concluding in favour of the Company. These conditions indicate the existence of Material Uncertainty which may impact the Company's ability to continue as a going concern. Our report is not qualified on this matter.

Emphasis of Matter

Without qualifying our opinion, we draw attention to the following matters;

- (a) Attention is invited to Note 4(a) of the Financial Results in respect of Patna Highway Projects Limited (PHPL) where the CIRP proceedings had been initiated. NCLT has approved the resolution plan vide order dated May 10, 2022 submitted by Resolution Professional and as per the NCLT Order no surplus is available to the Company.

The Company lost the appeal before NCLAT and has filed an appeal in Supreme court against the NCLAT order and expects a favourable outcome on the matter.

Pending the outcome, in view of the long pendency of the matter under litigation, the Company out of abundant caution and on the principle of prudence has impaired the entire exposure in its books for accounting purposes while retaining its right to litigate. The Lawyers have advised the management that it has a good case for a favourable outcome of the litigation.

- (b) Attention is invited to Note 5 (b) of the Financial Results, relating to a power project where the operation of the project is under constraints as detailed in the note. The SPV has also invoked arbitration against the Karkhana and the Karkhana has approached Debt Recovery Tribunal (DRT). Based on the submission of Karkhana that the Plant was possessed and run by Karkhana, the tribunal ordered to maintain status quo. The Company is yet to file its response at DRT. Also, the SPV's credit facilities are marked as Non-Performing Assets. The statutory auditor of the SPV have disclaimed their opinion in their audit report for the year ended March 31, 2024 for illegal occupancy of the factory by Karkhana and that the access to facility and records and transactions for the period from January 1, 2022 to March 31, 2024 are not available with the Company. The Company on a prudent basis has provided for the entire funded exposure

amounting to Rs 10,745.53 lacs as at March 31, 2024. The Company has provided a letter of Comfort to the lenders towards their credit facilities.

In view of the above-mentioned facts the management contends:

- i. The litigation is outstanding since more than 2 years now and there is no progress in the matter before the courts.
- ii. The receiver appointed by the DRT does not report the transactions to the Company and takes decisions of the Company Management.
- iii. Since there is no progress in the matter in accordance with IND AS 110 para 7 the Company has effectively lost control over the operations and is unable to direct the variable returns from its exposure in its favour.
- iv. It has no record of transaction entered into on its accounts nor it has access to its cash flows.

Therefore, pending the settlement of the litigation, the Company contends it has no control as it does not satisfy paragraph 7 of INDAS 110

The Statutory Auditors of the SPV on account of non-inclusion of aforesaid transactions conducted by the receiver has given a disclaimer of opinion.

- (c) We invite attention to Note 5(e) of the Financial Results, regarding unilateral termination and closure of Concession in a bridge project, which is subject to pending litigations / arbitrations at various forums, which may impact the carrying values of investments and loans and advances given to the subsidiary. The Company's funded exposure towards the said project is Rs. 2,354.26 lacs against the claim by the SPV of Rs.1,787.13 lacs. Pending conclusion on these legal matters, the company has made provision for an amount of Rs. 583.36 lacs being the excess of the exposure over the claim amount submitted without considering the interest which may be awarded by the courts.
- (d) We invite attention to Note 5 (f) of the Financial Results, in relation to the intention to exit one of the hydro power projects at Himachal Pradesh and seeking a claim of an amount against the amount spent on the Project. The Company's subsidiary has cited reasons for non-continuance on account of reasons beyond its control. Pursuant to the completion of Arbitration vide order dated 23rd January 2023, the SPV's share of the arbitration proceeds is adequate to cover the exposure and therefore no adjustments are required towards the exposure of Rs. 7,120.19 lacs.

Management's Responsibilities for the Statement

This Statement, which includes the Standalone Financial Results, is the responsibility of the Company's Board of Directors and has been approved by them for the issuance. The Standalone Financial Results for the year ended March 31, 2024 has been compiled from the related audited standalone financial statements. Auditor's Responsibilities

(a) Audit of the Standalone Financial Results for the year ended March 31, 2024

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results for the year ended March 31, 2024 as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the Annual Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of

accounting estimates made by the Board of Directors.

- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Standalone Financial Results, including the disclosures, and whether the Annual Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Annual Standalone Financial Results of the Company to express an opinion on the Annual Standalone Financial Results.

Materiality is the magnitude of misstatements in the Annual Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

(b) Review of the Standalone Financial Results for the quarter ended March 31, 2024

We conducted our review of the Standalone Financial Results for the quarter ended March 31, 2024 in accordance with the Standard on Review Engagements ("SRE") 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the ICAI. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SAs specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit.

Other Matters

The Statement includes the results for the quarter ended March 31, 2024 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year which were subject to limited review by us. The Company has filed IA under section 60 (5) of IBC, 2016 seeking sine die Adjournment to the said proceedings before the Hon'ble High Court, Mumbai and the next date of hearing is 28th June,2024.

The Net exposure of the Group is Rs. 21,294.65 lacs (funded). Pending the outcome, in view of the long pendency of the matter under litigation, although the Lawyers have advised the management that it has a good case for a favourable outcome of the litigation, the Company out of abundant caution and on the principle of prudence has impaired the entire exposure in the books as at March 31, 2024 in its books for accounting purposes while retaining its right to litigate.

- b. **Rajahmundry Godavari Bridge Limited (RGBL):** One of the Consortium Banks of RGBL had initiated and filed an application under the provisions of Insolvency and Bankruptcy Code, 2016 (IBC) with NCLT. The Hon'ble NCLT had passed an order dated 27th February 2020 admitting the matter to Corporate Insolvency Resolution Process (CIRP) under the IBC and appointing an Interim Resolution Professional (IRP) on 27th February 2020. The IRP has been replaced with a new Resolution Professional (RP) pursuant to the Hon'ble NCLT order dated August 21, 2020, which was issued on September 08, 2020, based on an application filed by the Committee of Financial Creditors / Lenders and the new RP had taken charge of RGBL from the erstwhile IRP and the Project.

The Company had filed an Intervention Application at Hon'ble NCLT being aggrieved by the rejection of COC to consider the proposal dated 24.02.2022 of the applicant under section 12A of IBC. The matter was listed on 7th June,2022 for admission of the petition. The Hon'ble Members were pleased to direct the RP to file reply to the subject IA and further stated that upon approval of the resolution plan by the CoC, application under section 12A is not maintainable. At the next hearing dated 21st June,2022 the company requested for time to file an affidavit in rejoinder to the reply filed by the Resolution Professional. Resolution Plan submitted by M/s. Prakash Asphaltings & Toll Highways (India) Limited has been accepted by the COC/ RP against which the company had filed an intervention application before NCLT, challenging the Resolution Plan, which has since been rejected by Hon'ble NCLT. The NCLT vide order dated August 10, 2022, has approved the resolution plan. The company has filed an appeal against the impugned order in NCLAT which was pending admission. The Company has subsequently withdrawn the appeal pending and the same was approved vide Hon'ble NCLAT order dated 16th May 2023. The company had made a provision in the books as on date towards its entire funded exposure in the SPV amounting to Rs.1,08,190.66 lacs on a prudent basis. The balance non funded exposure in SPV is Rs 9,811.02 lacs as of March 31, 2024. No notice of recovery against the corporate guarantee has been received by the Company.

5. **Project related notes:** In respect of the following projects / Special Purpose Vehicles (SPVs) of the Group there are legal issues, arbitration proceedings or negotiations with the Concession Grantor for which the Management is taking necessary steps to resolve the matters:

- a. **Indira Container Terminal at Mumbai:** The Project was delayed due to non-fulfilment of certain obligations by the Mumbai Port Trust (MbPT) under the License Agreement (LA) signed by the SPV with MbPT. The Roll-On-Roll-Off (RORO) operations was allowed by MbPT as an interim measure for alternate use of the 2 (two) berths for a mix of cargo of container, steel and RORO and is still continuing. However, the revenue generated through alternative use is inadequate for repayment of principal and interest of the Lenders and the credit facility account was declared NPA (Non-Performing asset) by the Lenders of the SPV. The draft settlement agreement between the SPV, Ministry of Shipping (MoS), Mumbai Port Trust (MbPT) has been rejected by MbPT. The SPV has issued a Dispute Notice for the Licensor's Event of Default against MbPT and called upon the Licensor to refer the disputes for amicable settlement under the LA and the matter is pending with MbPT. A petition was filed by the SPV under section 9 and an application under section 11 of the Arbitration and Conciliation Act, 1996 was also filed where in Order dated 1st August 2019 is passed and interim protection by way of prayer is allowed for carrying ad-hoc RORO operations.

The SPV and the MBPT have nominated their arbitrators and they in turn have jointly appointed the Presiding Arbitrator/Umpire arbitrator and accordingly, the Arbitral Tribunal (AT) is formed. The SPV has duly filed its Statement of Claim (SOC) against MbPT for an amount of Rs. 296,736 lacs on 8th November 2019. MbPT has filed their Statement of Defense (SOD) and filed their Counter Claim of Rs 240,000 lacs with the Tribunal.

In the meantime, MbPT has sent letters dated May 28, 2021 / October 08, 2021, and invited ICTPL for a settlement of all disputes raised with the Arbitral Tribunal, to which ICTPL has replied and given their concurrence and the process is under active discussion. Both the parties have sought permission to keep the ongoing arbitration in abeyance for the next 6 months since the parties have started conciliation proceedings. A virtual hearing was held by the Tribunal on 01-11-2021 to determine if the above application for keeping the matter in abeyance for a period of 6 months can be allowed and if the same would be in compliance of Arbitration and Conciliation Act, 1996. After initial review, the extension was allowed and both the parties were directed to intimate the conciliation proceedings to the tribunal by 25th May, 2022. Since there was no outcome, both the parties jointly opined for the further extension and accordingly filed the application for extension from time to time to wait for the outcome of the conciliation proceedings which is still pending before the CSC. On the last hearing date of Arbitration Proceedings i.e., on 19.04.2023 virtual hearing was conducted and on joint request of both the parties the Hon'ble Tribunal was pleased to adjourn the matter to 27th July, 2023, directing parties to appraise the tribunal on the next date and that for any extension henceforth, both the parties shall jointly approach the Hon'ble High Court, Bombay. Since the last date of Arbitration Proceedings was 31st August, 2023, hence the SPV has moved an application under section 29(A) before the High court of Mumbai for extension of Arbitration Proceedings. The said application has been allowed by Hon'ble High Court and the mandate of the arbitral tribunal is extended from 01.09.2023 for a period of one year. The matter is next listed on 21st August, 2024 for update on the further progress on the conciliation process.

Hel

The SPV's submission of a One-Time Settlement (OTS) proposal to the consortium of Lenders', and the decision on acceptance, which is dependent upon fulfilment of certain conditions, is in advanced stages of negotiation/settlement with the lenders. In the meantime, the lead Bank had approached NCLT Mumbai Bench against its outstanding dues and submitted its application under Section 7 of the Insolvency and Bankruptcy code, 2016. After a series of submission and counter submissions, the Hon'ble NCLT passed an order on 9th May,2024 for the admission of the captioned Petition and the appointment of Interim Resolution Professional.

The SPV filed an appeal under Section 61 of the Insolvency and Bankruptcy Code, 2016 before Hon'ble NCLAT, Delhi against the impugned order dated 9 May 2024 passed by the Hon'ble NCLT, Mumbai. Hon'ble NCLAT, Delhi taking cognizance of the OTS proposal submitted by the SPV and the fact that the committed amount already deposited in the designated NO LIEN account of the Lenders has passed an order dated 16th May,2024 staying the above order dated 9th May 2024.

The SPV has recently taken legal opinion on account of claims that the SPV proposes to make against the MbPT, the legal update from the lawyer on record states that the possible realization on the settlement of the SPV claim arising out of arbitration will be sufficient to cover the value of the asset and therefore in the opinion of the management no impairment will be necessary. The SPV is also seeking another opinion from a techno legal expert on arbitration matters whose assessment of the possible amounts due is under quantification.

The exposure of the Group in the SPV / project is Rs 46,946.47 lacs.

- b. **Pravara Renewable Energy Limited** - Pravara has entered into a Project Development Agreement (PDA) with Karkhana (Padmashri Dr. Vithalrao Vikhe Patil Sahakari Sakhar Karkhana Limited) for the development of a 30 MW Cogeneration Project on Build-Own-Operate-Transfer (BOOT) basis. The Concession period is 25 years from Commercial Operation Date (COD).

The viability of the project and the ability to continue as a going concern depends upon the ability of the Company to procure Bagasse/ alternate Fuel at a viable price either from Karkhana under the arrangement to supply them power in return or from the open Market. In view of the pending settlement between the Company and Karkhana, the availability of adequate Bagasse to run the plant at optimum capacity is a matter of significant uncertainty.

The company had filed an application under Sec 9 of Arbitration and conciliation Act, 1996 against Karkhana seeking interim reliefs which was heard by the Single judge of Hon'ble High Court on 30th October 2021 and after elaborately dealing with the contentions of both the parties, passed an Order dated 11th April 2022 to restrain Karkhana and any representative acting on behalf of the Karkhana, from entering the premises of the Co-generation Plant pending the hearing/final disposal and until final execution of the Arbitral Award. In fact the court in it's order vide paragraph 110 stated "In my opinion, it is unheard of in a civilized society and much less in a commercial transaction of such magnitude that when the parties have agreed to specific terms and conditions on transfer of assets, it would become permissible for a contracting party like the respondent to take over the assets/co-gen plant of the petitioner, for pure commercial gains, in a manner unknown to the process of law. Even in commercial transactions the parties are bound by the rule of law, apart from due adherence

hcl

to the principles of trust, honesty, fairness and ethics, which are the backbone of any long commercial relation between the parties. Any untoward dent to such commercial relationship at the hands of a contracting party would lead to an instability not conducive to commerce and the commercial image of a contracting party. There is all the likelihood that for quick and undeserving gains or profits, a party may resort to such business tactics and unfair practices, however, in doing so, they are oblivious that in the longer run, it is no real commercial gain when it comes to such actions being tested in law. This, even assuming that the respondent has spent amounts on repairing or maintenance of the plant as alleged by the petitioner, which would entitle the respondent only to make a monetary claim against the petitioner.”

Subsequently, on 2nd May, 2022, after dealing with the submissions of Karkhana’ s appeal and contentions of both the parties, Division Bench of the Hon'ble Bombay High Court had admitted the Karkhana’ s appeal filed under section 37 of the Arbitration & Conciliation Act ("the Act"), and granted stay of the Order dated 11th April, 2022 passed by the Single Judge in Commercial Arbitration Petition (L.) No. 23525 of 2021 (filed under Section 9 of the Act by the Petitioner).

The Company subsequently filed Special Leave Petition (SLP) in the Supreme Court against the impugned Order dated 2nd May 2022 passed by the Hon'ble High Court of Judicature at Bombay and after hearing both the parties, Supreme Court had directed the Company vide order dated 20th May 2022 to approach Arbitration Tribunal for relief since the tribunal is constituted. Accordingly, PREL has filed its relief application under Sec 17 of Arbitration and conciliation Act, 1996 on 18th July 2022 against Karkhana before the Arbitral Tribunal.

In the meantime, Karkhana approached Debts Recovery Tribunal, Aurangabad and the matter was listed with objections on the maintainability and the Interlocutory application No 1239/2021 for seeking certain directions for stay. On 29th December 2021, Hon'ble DRT Aurangabad, without issuing any notice to the Company, passed an Ex-party order of "Status quo" and granted the liberty to the Karkhana to settle the matter with the Lenders. The Company had challenged the said Ex-party Order before the Hon'ble DRAT, Mumbai. Subsequently, by virtue of order dated 8th September 2022 the court receiver has been appointed by DRT Aurangabad, wherein the Company's consent had been wrongly recorded for the appointment of a receiver. The Company thereafter filed Civil Writ Petition (L) No. 8044/2022 before the Bombay High Court, Aurangabad Bench against the appointment of Court Receiver and appraised the court that the Presiding officer of DRAT had excused himself in the matter and since then an alternate bench has still not been assigned. The Bombay High Court, Aurangabad Bench was pleased to direct the Registry of DRAT vide its order dated 29th March 2023 to file its report with respect to the appointment of an alternate bench. The report was duly filed by the Registry of DRAT and based on the same, the bench passed an order that the matter would be heard at DRAT Chennai and the writ petition was disposed off accordingly. The next date of hearing is yet to be notified.

The company has also challenged the award passed by the Arbitral Tribunal under Section 34 of Arbitration and Conciliation Act, 1996, passed in favor of Ask Energy, an Operational Creditor. In the meantime, Ask Energy has moved the execution petition before the Hon'ble High Court with a request to issue notice to Garnishee, Maharashtra State Electricity Development Corporation (MSEDCL) as well as Karkhana. On the directions of the Hon'ble High Court MSEDCL has deposited a sum of Rs 386.00 lacs under protest and the company has opposed the above execution petition at

hd

Hon'ble High Court.

The borrowing facility of the company has been marked as non-performing assets by the lenders, hence no interest has been debited by the lenders in the Loan Statements. The company has made provision for interest based on the last sanction and last revision of terms. Therefore, the loan balances and finance cost are subject to confirmation and consequent reconciliation, if any. Recall notice date 27/09/2021 and 22/11/2021 were issued by the Lenders, Central Bank of India and Union Bank of India respectively vide which both the lenders recalled the entire outstanding amounts owed by the Company (Term loan and Cash credit) to which the company has suitably replied.

Also, both the lenders have jointly filed an Original Application No. 69/2021 before the DRT-II, New Delhi, against the Company and others for the enforcement of the claims of lenders against the Company, in respect of the Term Loan and Working Capital Loan sanctioned to the Company by the lenders. Ex Parte Order was passed by DRT II, Delhi with a direction to maintain status quo in respect of assets as per section 19 (4) of the Recovery of Debts and Bankruptcy Act 1993." The company has challenged the Order passed by DRT II, Delhi. Written statements and counter claim has been filed by the company, however, there has been no reply from the applicants. The matter was heard on 24th November ,2023 and has been adjourned for next hearing on 1st July,2024.

Also, on 9th March 2022 / 26th May 2022, Union Bank of India / Central Bank of India respectively affixed the impugned notice under Section 13(4) of the SARFAESI Act 2002 at the premises of the Company's Co-gen plant and taken symbolic possession. The Company has challenged both the notices in DRT, Mumbai. Both the matters are pending for filing replies by the Respondents. In the meantime, Lead bank Central Bank of India has moved ahead and issued notice for sale under Rule 8(6) of the Security Interest (Enforcement) Rules of SARFAESI Act, 2002 vide letter dated 16th February 2023. The Company filed an IA for Stay before DRT Mumbai and order dated 3rd March 2023 was passed by DRT that based on the submission of the Bank no bids were received and therefore Auction has failed.

An operational creditor of the Company had approached NCLT Mumbai against its outstanding dues and submitted its application under Insolvency and Bankruptcy code, 2016 in 2018. Though the company had cleared all the dues in the meantime, final order C.P.(IB)-2976(MB)/2018 dated 6th January,2023 was passed by Hon'ble NCLT Mumbai bench Court-II under Insolvency and Bankruptcy code, 2016 for admission of the petition and Interim Resolution Professional was appointed to carry the functions as mentioned under the Insolvency & Bankruptcy Code, 2016. The Company filed an Appeal in NCLAT on against the aforesaid impugned order and Hon'ble NCLAT wherein was pleased grant an interim stay vide order dated 3rd February,2023. The interim stay was further adjourned for 4 weeks from 28th March,2023. The matter has now been tagged along with the similar appeal filed by one on the lenders of the SPV against the impugned order and is adjourned to 31st July,2024 for next hearing.

The Credit facilities are marked as Non-Performing Assets. The use of coal as an alternate fuel has other issues of cost and operations. The lenders also are not providing any further funding for the procurement of the inventory for the running of the plant. All these conditions indicate a material uncertainty in the Company's ability to continue as a going concern. Also, Karkhana has taken illegal

hd

/ unauthorized possession of the Plant and has been running the plant without authorization / consent of the Company. In view of the above situation, power generated for the period Jan 22 to till date exported to the Grid has not been accounted for as Revenue in the books of the Company. Similarly, Fuel (Bagasse) and electricity consumed at the Plant for the generation of power for the captioned period of Jan 22 till date has not been accounted as expense / Inventory in the books of accounts.

The management, however, is hopeful of resolving the issues and accordingly these financials are prepared on a going concern basis. The funded exposure of the group in the SPV is Rs 16,503.56 lacs. In view of the multiple legal issues going on at various forums and the SPV still being not in possession of the Plant, the funded exposure of the Company in the SPV amounting to Rs. 10,745.53 Lacs has been provided in the Standalone financial results as at March 31, 2024 on a prudent basis.

In view of the above-mentioned facts the management of the SPV contends that

1. The litigation is outstanding since more than 2 years and there is no progress in the matter before the courts.
2. The receiver appointed by the DRT does not report the transactions to the Company and takes decisions of the Company Management.
3. Since there is no progress in the matter in accordance with IND AS 110 para 7 the Company has effectively lost control over the operations and is unable to direct the variable rights from its exposure in its favour.
4. It has no record of transaction entered into on its accounts nor it has access to its cash flows.

Therefore, pending the settlement of the litigation, the Company contends it has no control and does not satisfy para 7 of INDAS 110 and has decided to deconsolidate the said SPV from its Consolidated Financial Statements although it has de jure control over the SPV and its operation. It has no de facto control over the same.

Since exposure to the equity has been provided for in the Standalone Financial Statements in these Consolidated Financial Statements, they are carried at NIL values since the fair value cannot be determined. The Statutory Auditors of the SPV on account of non-inclusion of aforesaid transactions conducted by the receiver has given a disclaimer of opinion.

- c. An amount of Rs 1,514.01 lacs is due from **Western Coalfields Limited (WCL)** on account of wrongful encashment of bank guarantee against which the Company has filed a suit for Recovery of damages. Subsequent to the encashment, the Company has filed an application for converting earlier injunction application to suit for recovery of damages. The Company has sought a legal opinion in this matter and has been advised that it has a good case for recovery of the amount. On the last hearing dated 29th November 2023 evidence was filed and the matter has next been listed next on 19th June, 2024. The Management is hopeful of getting a favourable decision on the matter and recovery of damages based on legal advice on the matter. However, due to considerable elapse of time and in view of the delay in the legal proceedings, the company has made full provision of Rs 1,514.01 lacs towards this amount receivable from Western Coalfields Limited (WCL) in the books of accounts as at March 31, 2024 on a prudent basis.

Sidhi Singrauli Road Project Limited had signed a Concession Agreement (CA) for 30 years for upgradation of existing highway from two-lane to four-lane with Madhya Pradesh Road Development

hcl

Corporation Limited (MPRDC). AJR Infra and Tolling Limited (Formerly Gammon Infrastructure Projects Limited) is the EPC contractor for the Project.

The Project was scheduled to commence commercial operations from 19th September 2015. However, delays on account of MPRDC in providing the required clearances and the Right of Way (ROW), have resulted in the extension of the Commercial Operations Date (COD). These delays have also resulted in increase in project cost, primarily due to increase in interest during construction period resulting from the time overruns and the credit facility with consortium of banks / lenders was classified as Non-Performing Asset (NPA).

Meanwhile, the Lead Bank has also issued notice dated October 15, 2019, for invocation of Corporate Guarantee (CG) issued by the Company in favor of the SPV's Banks / Lenders, due to financial default by the SPV. The SPV and GIPL have filed their response dated November 11, 2019, to the said notices issued by the Lead Bank. The Lead bank has also sent Demand cum loan recall notice dated 30th December 2021 demanding repayment of loan availed from the Consortium of Lenders (Including Indian Bank e-Allahabad Bank and IIFCL). The SPV has duly replied to the notice vide letter dated 31st January, 2022. Meanwhile, Hon'ble Debt Recovery Tribunal Delhi (DRT 3) has issued Summon/notice under section 19(4) of the Act on the application filed against the SPV by Punjab National Bank (Lead Bank) for recovery of debts with directions to file the written statement and to appear before Registrar on February 21, 2024. The SPV has filed the written statement on 27.01.2024. On 15.05.2024 the IA filed by the SPV for condonation of delay for filing written statement was rejected against which the SPV is intending to file an appeal in DRAT. IA for condonation of delay and discharge of directors is listed for filing reply by the respondents till next date of 4th July, 2024.

During the year ended March 31, 2021, the SPV has received notice of intention to terminate the Project vide letter dated July 17, 2020, from MPRDC followed by a Termination Notice dated August 13, 2020, and advised the SPV vide their letter dated August 24, 2020, to comply with the divestment rights and interest under the provisions of the Concession Agreement and handover the Project to MPRDC.

Pursuant to the Termination Notice issued by MPRDC, SPV has contested the Termination Notice vide their letter dated 1st October 2020 and has approached MPRDC and Ministry of Road Transport and Highways (MoRTH) to find an amicable resolution under the circular dated March 09, 2020 on stuck BOT projects issued by MoRTH in the interest of all the stakeholders. The Company is exploring options to find an amicable resolution for the Project. Meanwhile, the company has also invoked the Arbitration process vide letter dated 22nd February, 2021 and a 3-member Arbitration Tribunal has been constituted. Two virtual hearings were held and the SPV has submitted its Statement of claims amounting to Rs 284,804.32 Lacs to the Arbitral Tribunal on 8th September, 2021 as per its procedural order dated 2nd June, 2021 / extensions granted thereunder. The respondents have also filed their SOD. The SPV has duly replied to the SOD and counter claim filed by MPRDC and also filed rejoinder to the written statement. In the previous hearings, the order was pronounced with a decision that MoRTH should be a party to the arbitration proceedings. The SPV has moved an application under 29 (A) before High Court of Madhya Pradesh for the extension of Arbitration proceedings which is due to be next heard on 29th May 2024.

hd

The conciliation process as agreed between the parties is going on simultaneously in which lenders of the SPV are also a part of the said conciliation process. Couple of meetings have taken place in the last 3 to 4 months' time and issues are moving forward.

In the meantime, the Arbitrator nominated by the SPV has excused himself from the Arbitration due to an age ailment. Accordingly, SPV is seeking a replacement for the said Arbitrator. In view of the issues and problems associated with the progress of the project including the final notice to terminate the project and subsequent developments in various arbitration hearings as detailed above the Company on a prudent basis during the year ended March 31,2022 had made provision for impairment of its investments and written off/(back) project balances in the books of accounts and the balance non fund exposure in SPV is Rs 67,197.64 lacs as at March 31 ,2024. The Auditors of the SPV have highlighted material uncertainty regarding going concern issue in their audit report as at March 31, 2024.

- e. **Bridge project at Cochin** - The Greater Cochin Development Authority (GCDA) has sought to end the toll collection by unilaterally sealing the toll booth. Cochin Bridge Infrastructure Company Limited (SPV) has initiated an arbitration / settlement process. The SPV has also in parallel filed a writ in the matter before the Hon'ble Kerala High Court for specific performance. However, the Government of Kerala approached the Hon'ble High Court for further extension of time and the Court granted extension to settle the matter, after which the SPV has filed amended plaint. The said SPV pursuant to the assurance given by GCDA and State Government filed a fresh writ petition for directions to GCDA to pay the dues of SPV. The arbitration process was kept in abeyance.

Matter was last listed on 10th July 2019 wherein it was argued and after considering the points of arguments, the Hon'ble High Court passed the orders that the writs petition stands dismissed with reserving the liberty to seek appropriate resolution before the Arbitral Tribunal. The SPV is in the process of re-constituting the Arbitral Tribunal and has intimated GCDA vide its letter dated 3rd January 2020 for revival of the Arbitration proceedings and to appoint their nominee arbitrator. Since, GCDA is neither responding nor appointing its nominee arbitrator, the SPV has filed an application under section 11 & section 14 of the Arbitration and Conciliation Act with the Hon'ble Kerala High Court and duly informed that they have nominated their new arbitrator with regard to reconstitution of the Ld. Arbitral Tribunal. The matter was listed on 21st June,2022 whereby the Hon'ble Kerala High Court appointed the sole arbitrator to adjudicate the disputes. Statement of Claim and Statement of Defense has been filed by both the Parties. The parties have filed rejoinder on March 18,2023. The SPV has filed additional documents on 3rd August 2023. The matter was listed on various dates for cross examination of witness of the SPV, which has been concluded. The matter is now listed on 19th June,2024 for compliance of Fees. The SPV had filed the joint extension application under section 29A of the Arbitration and Conciliation Act for the extension of the Arbitration period which has been granted. The exposure of the Company in the SPV is Rs 1,787.13 lacs (funded).

- f. **Hydro power project at Himachal Pradesh** - the Project is stalled due to local agitation relating to environment issues. The SPV has received letter from the Government of Himachal Pradesh (GoHP), to discuss the matter mutually towards amicable resolution. After the SPV invoked arbitration on 19th February 2018, the arbitration is now concluded, and the Arbitral Award was pronounced by the

hd

Hon'ble Tribunal on 23rd January 2023 in favour of the SPV. Government of Himachal Pradesh has moved Sec 34 against the captioned award and the SPV has also filed reply as well as the execution petition for the same. Matter pertaining to Section 34 was listed on 10th April,2024 wherein the Advocate General had appeared and sought time for settlement. The captioned matter as well as the execution petition is now adjourned to 12th June,2024.

The amount of award due to the SPV is expected to be in excess of exposure of Rs. 6,783.94 lacs and therefore the management does not expect any impairment towards the exposure. The Management is hopeful of an early settlement in the matter and is confident of recovering the amount of exposure.

- g. The Company has incorporated a SPV for developing **Rangit-II Hydroelectric Power Project in Sikkim** on Build, Own, Operate and Transfer (BOOT) basis. The Project involves the development of a 66 MW run-of-the-river Hydroelectric Power Project on Rimbi river, a tributary of river (COD). The Project is presently in a state of limbo pending the signing of PPA and achieving financial closure. The Management is of the view that the present situation in the power business is temporary and does not foresee any need for impairment. The matter before NCLT of one of the operational creditors of the SPV has been settled favorably in favor of the SPV.

Post withdrawal of the CIRP proceedings, the company has been in discussion with prospective buyers for Sale or otherwise dilution of Company's investment in the SPV and have also obtained in principal approval vide special resolution at the EGM dated 12th August,2022. Subsequently the Company has entered into a Share Purchase agreement. There are some conditions precedents which are yet to be fulfilled as on date. Though the company has been actively pursuing the matter, there have been delays in completing some of the condition's precedent to the agreement with the prospective buyer, due to which the captioned Share purchase agreement has been terminated.

The company has made provision in the books of accounts as at March 31, 2024 towards its balance exposure in Capital Work in Progress amounting to Rs.3,262.63 lakhs on a prudent basis.

6. **Material Uncertainty related to Going Concern**

There is a continuing mismatch of cash flows including the dues to the subsidiary which are due for repayment pursuant to negotiation. The current liabilities are in excess of current assets by Rs. 3,43,884.20 lacs as at March 31, 2024. The liquidity crunch is affecting the Company's operation with increasing severity. Further, various projects of the Company as stated in detail in Note 4 & 5 above are under stress and the outcome of the continuance of these projects would be dependent upon favorable decision being received by the Management on the outstanding litigations. The resolutions planned by the Management are pending since a long time and are not concluding in favor of the Company. The Management, however, is confident that the going concern assumption and the carrying values of the assets and liabilities in these Consolidated Financial Results are appropriate. Accordingly, the Financial Statements do not include any adjustments that may result from these uncertainties.

Basis for Qualified Opinion on the Audited Consolidated Financial Results for the year ended March 31, 2024.

- a) Attention is invited to Note 5(a) of the Financial Results, relating to the Project in the SPV, Indira Container Terminal Pvt Ltd. There exists material uncertainty relating to the future of the Project where the exposure of the Group in the SPV/project is Rs. 46,946.47 lacs (funded and non-funded). The draft settlement agreement between the SPV, Ministry of Shipping (MoS), Mumbai Port Trust (MbPT) has been rejected by MbPT. The Company and the SPV are in discussion with MbPT and MoS to reconsider the Project. The credit facility is marked as NPA by the Lenders. During the quarter the Lenders have initiated proceedings under Insolvency and Bankruptcy code, 2016 before the NCLT and the NCLT admitted the said petition and authorized the appointment of Interim Resolution Professional ("IRP") vide its orders dated May 09, 2024. The Company moved NCLAT and obtained interim stay on the operation of the order of the NCLT vide order dated May 16, 2024. The order does not mention anything about the merits of admitting the said petition. The stay is granted for a period of 40 days, and we are unable to opine which way the matter would proceed after the completion of the period of stay. The exposure of the Company towards the said project is Rs.46,946.47 lacs which is threatened by the possible loss of control if the Company's petition is not upheld on merits. Without prejudice to the above, The SPV and MbPT have initiated arbitration proceedings which were in progress which may abate if the lenders petition is upheld, and the IRP is reinstated. The MBPT has requested conciliation proceedings which are also under active discussions. One of the grounds on which the stay is granted is the proposal of OTS which has been submitted by the Company whose terms and conditions has to be fulfilled before the next date for the lenders to withdraw their petition. There are uncertainties to the adherence to terms and conditions which inter alia requires an infusion of a substantial sum of money by an Investor identified by the Company. In view of the above reasons, we reiterate that we are unable to opine whether the Company would retain control, honour the terms of the OTS and its petition will be upheld by the Courts.

The Company continues to show the loan as its obligation in the absence of assignment/novation by the lenders. We are unable to opine on the correctness or otherwise of this treatment in the absence of confirmation of the erstwhile promotor accepting the entire balance.

to going concern. The Group's current liabilities exceeded current assets significantly and are at Rs. 3,43,884.26 lacs. There is a continuing mismatch including defaults in payment of its financial obligations to its lenders. The liquidity crunch is affecting the Group's operation with increasing severity. The said note details the status of the progress of the project and the various issues faced by the project and the Company. The Lenders have issued a notice of financial default to the Company in terms of the Substitution Agreement under intimation to MbPT. The credit facilities are marked as NPA. There is also no official extension to the RORO operations although the Company is not restricted in continuing the same. The draft settlement agreement being negotiated between the Company, MoS and MbPT has been rejected by MbPT and the Parent Company and Company are in discussions with MbPT & MoS to reconsider the matter relating to the extension of the project as per the mutually decided fresh terms and find a solution given the significant efforts put in by the Parent Company and Company in reviving the Project over the past 4 years.

The stay is granted for a period of 40 days, and we are unable to opine which way the matter would proceed after the completion of the period of stay. The exposure of the Company towards the said project is Rs. 46,946.47 lacs which is threatened by the possible loss of control if the Company's petition is not upheld on merits. Without prejudice to the above, The SPV and MbPT have initiated arbitration proceedings which were in progress which may abate if the lenders petition is upheld, and the IRP is reinstated. proposal of OTS which has been submitted by the Company whose terms and conditions has to be fulfilled before the next date for the lenders to withdraw their petition. There are uncertainties to the adherence to terms and conditions which inter alia requires an infusion of a substantial sum of money by an Investor identified by the Company. In view of the above reasons we reiterate that we are unable to opine whether the Company would honour the terms of the OTS and its petition will be upheld by the Courts.

The above conditions and the status of the project including the inconclusive discussions indicate material uncertainties, which may affect the going concern assumption of the Company. The Management is hopeful of an amicable resolution in respect of the project. Our report is not qualified on this account.

management is not in possession of any documentation of the erstwhile promoters' ability to discharge the liability, excepting the MOU Dated May 13, 2022 accepting their obligation to discharge. There exist significant uncertainties on the discharge of these borrowings by erstwhile promoters which may cast material uncertainties relating to going concern. v) Sikkim Hydro Power Ventures Limited

Attention is invited to Note 26 to the standalone financial statements of the SPV which state about the uncertainty faced by the company in signing of Power Purchase Agreement (PPA) and various factor affecting the progress of the project resulted in stoppage of work. Though the company management is hopeful of a timely resolution of this matter, in view of the issues and problems associated with the progress of the project including the delay in signing of Power Purchase agreement and associated financial issues, the company has made provision in the books of accounts for the year ended 31st March, 2023 amounting to Rs.5,193.09lakhs based on a valuation report on a prudent basis which has been adjusted against the Capital Work in Progress. The Management has been in active discussions with various government agencies and other Private players to explore the possibility of signing a Power Purchase Agreement (PPA) or a possible buyout of the Project. The company had identified a prospective buyer and executed share purchase agreement as well but since the matter was dependent on fulfilment of certain conditions which is yet to be concluded, the share purchase agreement was terminated by the Prospective buyer.

However, management is confident that the current situation is temporary and does not have any going concern issue. Accordingly, the financial statements of the company have been prepared on a going concern basis and our opinion is not qualified in respect of the above matters.

Emphasis of Matter

Without qualifying our opinion, we draw attention to the following matters related to Emphasis of Matter included in the audit report issued on the consolidated financial statements of Holding Company, a subsidiary company of the Holding Company, on matters which are relevant to our opinion on the consolidated financial statements of the Group, and reproduced by us as under

- (a) Attention is invited to Note 4(a) of the Financial Results in respect of PHPL where the CIRP proceedings had been initiated. NCLT has approved the resolution plan submitted by Resolution Professional and as per the NCLT Order no surplus is available to the Company. The Company lost the appeal in front of the NCLAT and has filed an appeal in Supreme court against the NCLAT order and expects favourable outcome on the matter.

Pending the outcome, in view of the long pendency of the matter under litigation, the Company out of abundant caution and on the principle of prudence has impaired the entire exposure in its books for accounting purposes while retaining its right to litigate. The Lawyers have advised

the management that it has a good case for a favourable outcome of the litigation.

- (b) Attention is invited to Note 5 (b) of the Financial Results, relating to a power project where the operation of the project is under constraints as detailed in the note. The SPV has also invoked arbitration against the Karkhana and the Karkhana has approached Debt Recovery Tribunal (DRT). Based on the submission of Karkhana that the Plant was possessed and run by Karkhana, the tribunal ordered to maintain status quo. The Company is yet to file its response at DRT. Also, the SPV's credit facilities are marked as Non-Performing Assets. The statutory auditor of the SPV have disclaimed their opinion in their audit report for the year ended March 31,2024 for illegal occupancy of the factory by Karkhana and that the access to facility and records and transactions for the period from January 1, 2022 to March 31, 2024 are not available with the Company. The Company on a prudent basis has provided for the entire funded exposure amounting to Rs 10,745.53 lacs as at March 31, 2024. The Company has provided a letter of Comfort to the lenders towards their credit facilities.

In view of the above-mentioned facts the management contends:

- i. The litigation is outstanding since more than 2 years now and there is no progress in the matter before the courts.
- ii. The receiver appointed by the DRT does not report the transactions to the Company and takes decisions of the Company Management.
- iii. Since there is no progress in the matter in accordance with IND AS 110 para 7 the Company has effectively lost control over the operations and is unable to direct the variable returns from its exposure in its favour.
- iv. It has no record of transaction entered into on its accounts nor it has access to its cash flows.

Therefore, pending the settlement of the litigation, the Company contends it has no control as it does not satisfy paragraph 7 of INDAS 110 and has decided to deconsolidate the said SPV from its Consolidated Financial Statements although it has de jure control over the SPV and its operation. It has no de facto control over the same.

Since the exposure to the equity has been provided for in the Standalone Financial Statements in these Consolidated Financial Statements, they are carried at NIL values since the fair value cannot be determined pending the conclusion of the litigation in the matter. The Statutory Auditors of the SPV on account of non-inclusion of aforesaid transactions conducted by the receiver has given a disclaimer of opinion.

- (c) We invite attention to Note 5(e) of the Financial Results, regarding unilateral termination and closure of Concession in a bridge project, which is subject to pending litigations / arbitrations at various forums, which may impact the carrying values of investments and loans and advances given to the subsidiary. The Company's funded exposure towards the said project is Rs. 1,787.13 lacs. Pending conclusion on these legal matters, the company has made provision for an amount of Rs. 583.36 lacs in its Standalone Financial Results being the excess of the exposure over the claim amount submitted without considering the interest which may be

awarded by the courts.

- (d) We invite attention to Note 5(f) of the Financial Results, in relation to intention to exit one of the hydro power projects at Himachal Pradesh and seeking a claim of an amount against the amount spent on the Project. The Company's subsidiary has cited reasons for non-continuance on account of reasons beyond its control. The SPV has appointed its arbitrator in the matter and has also reminded GoHP to nominate its arbitrator, since there was no action from GoHP on the matter, the SPV has moved the Himachal Pradesh High Court under section 11 of the Arbitration and Conciliation Act. Vide order dated 24th July, 2021 passed by the Hon'ble High court, the arbitration petition was disposed after appointment of Sole arbitrator in this matter. Auditor's Responsibilities

(a) Audit of the Consolidated Financial Results for the year ended March 31, 2024

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Results for the year ended March 31, 2024 as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Consolidated Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the Annual Consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Consolidated Financial Results, including the disclosures, and whether the Annual Consolidated Financial Results represent the underlying transactions and events in a manner that
